

Trainee Landscaper

Location: Warrenpoint, Co. Down

Hours: Monday to Friday, 8:00am–5:00pm

Company: Annett Landscaping / Annett's Garden Centre

Salary: £12.71 per hour

Holidays: 28 days' paid annual leave per year, inclusive of bank and public holidays

About the role

Annett Landscaping / Annett's Garden Centre is looking for a motivated Trainee Landscaper to join our experienced team based in Warrenpoint.

This is a great opportunity for someone who enjoys outdoor work, has an interest in gardens and landscaping, and wants to learn practical skills from a seasoned team. You do not need to have years of experience, but you must be reliable, hard-working, passionate, and willing to learn.

We are a quality-focused landscaping and garden centre business with a strong reputation for delivering excellent work. The right person will take pride in doing things properly, work well as part of a team, and be keen to build a future in landscaping.

Key responsibilities

The role will include supporting the team with a range of landscaping and outdoor work, such as:

- Assisting with soft landscaping and general garden work
- Helping prepare sites for landscaping projects
- Planting, turfing, pruning, and garden maintenance
- Learning how to use tools, equipment, and machinery safely
- Keeping tools, vehicles, and work areas tidy and well maintained
- Working safely and efficiently as part of a team
- Helping deliver a high-quality finish on every job
- Representing the company professionally on-site and with customers

What we are looking for

We are looking for someone who is:

- Passionate about landscaping, gardens, and outdoor work
- Reliable, punctual, and hard-working
- Willing to learn from an experienced team
- Able to follow instructions and ask questions when needed
- Focused on quality and attention to detail
- Physically fit and comfortable working outdoors in different weather conditions
- Positive, practical, and keen to develop their skills

Previous landscaping, gardening, grounds maintenance, farming, labouring, or outdoor work experience would be useful, but it is not essential. Attitude, reliability, and willingness to learn are the most important things.

What we offer

- Full-time hours, Monday to Friday, 8:00am–5:00pm
- £12.71 per hour
- Hands-on training from an experienced landscaping team
- The opportunity to learn practical landscaping and garden maintenance skills
- Varied outdoor work across different projects
- A supportive team environment
- A company that values quality, reliability, and pride in the job
- 28 days' paid annual leave per year, inclusive of bank and public holidays
